Some calculation examples

1. Club member XX comes with his partner on Friday afternoon and they **do not eat** at the hotel on Friday evening. XX enters the code **B2** and transfers € 317.90 + € 78 = € 395.90 to the club.
2. Club member YY comes solo on Saturday afternoon and enters the code **A1** . He transfers € 144.10 + € 39 = € 173.10 to the club.
3. Club member ZZ comes solo on Friday afternoon and also eats à la carte in the hotel that evening, He enters code **B1** and transfers € 276.10 + € 39 = € 315.10 to the club. He pays for Friday's à la carte dinner separately with the hotel.

We use the maxim: **registration is payment**. So we ask you to make the payment by bank transfer to:

in the name of Borgward Club Nederland, stating 'Meerdaagse 2026'

Please note

Drinks before, during and after dinner at the hotel must be paid separately.

Preferably on Saturday evening before you go to the room.

That saves time on Sunday morning.

The programme of the Multi-Day Event 2026

The Gelderland landscape around Winterswijk is ideal for a multi-day event of the Borgward Club Netherlands. Beautiful landscapes, beautiful villages, beautiful castles, and of course quiet roads for undisturbed relaxed touring.

Harm Bil, Frank Kuster, Gert Bil and Paul ter Steege are the organizers this time. They are currently putting together the program for Saturday and Sunday. Therefore, we cannot go into it too deeply now. Below is a start.

FRIDAY EVENING 25 September

If desired, check in at Fletcher on Friday evening (without obligation) and possibly eat together,

SATURDAY 26 September

After coffee and cake (BCN bill) around eleven o'clock a shortcut to Rosenhaege, the English garden (€6 pp). There is catering (coffee/lunch) and walking opportunities. We take 2 hours for it. Then via a different route to Villa Mondriaan in Winterswijk (entrance with Museum Card free). Alternative for those who don't want to go inside: there is a market in the center around the corner and a lot of fun.

At 15.30 we went to the hotel for the annual meeting at 16.00, until ± 17.00, with drinks afterwards.

Then eat together (buffet € 39,- pp). Drinks at your own expense.

After dinner we can sit in the hotel if desired.

SUNDAY 27 September

At 09.30 am to an old-timer meeting at Restaurant Lindeboom (15 min drive).

This spontaneous event lasts until +/- 12.00 h

After this a bit via country roads along the old German border to restaurant Roerdinkhof and finally the end with a sandwich at Roerdinkhof.

It goes without saying that the Borgward Club Nederland will make a nice contribution in the form of a few coffee/cakes/a few drinks at the expense of the club treasury.

But in view of earlier comments about the more expensive catering industry, the other food and drinks will be at everyone's own expense, so that everything is optimally transparent and everyone has a free choice in the spending pattern. For example, extra drinks before, during and after dinner in the hotel must also be paid separately.

(Please pay hotel + drink costs on Saturday evening to avoid a delay here this morning on Sunday).
